

Re-Submitting a Protocol that has been Returns for Modifications on eCompliance

1. You will receive an email if your protocol has been returned for modifications
2. Log onto eCompliance with your credentials
 - a. <https://ecompliance.missouri.edu/login>
3. Click on the Animal Care and Use block

4. The returned protocol will appear in the center column
5. Open the returned protocol
 - a. Modification requests will appear under the summery heading
 - b. Clicking on each section will bring you to that section
6. A red flag will appear next to the section in which modifications are requested
7. Once complete, click "submit this ACUC protocol form"
8. Congratulations! Your protocol has now been submitted for review
