

Insights & opportunities from Mizzou Research

Vol. 8, No. 1 — August 2025

View Mizzou's May and June grants and contracts.

The Division of Research is hosting a webinar for the research community where campus leaders will discuss the shifting federal funding landscape at 10 a.m. Tuesday, Aug. 19. Register to attend and receive the event Zoom link.

opportunities for research While industry grants only made up 6 percent of academic

research funding nationally in the past decade, they can offer an alternative to traditional government grants, as researchers Richard Hammer and Marc Johnson have found. Read about their partners and projects.

tap local experts Every summer for a decade, Mizzou has led an

Entrepreneurship Bootcamp for Veterans program that leverages higher education to offer training to post-9/11 veterans with service-connected disabilities. Only eight universities in the U.S. offer the program.

Professional development

NEW: Charting Research Pathways Program This six-week program will help faculty at all stages reframe their research, identify new funding streams and adapt to

shifting federal priorities. Sessions are 1:30-3:30 p.m. Oct. 1, 9, 15 and 28 and Nov. 4 and 10. Register by Sept. 8.

Find a quiet place to read, write and think in community with other scholars during this semester's first retreat at 9:30

Researcher Writing Retreat

a.m.-2:30 p.m. Sept. 19. The Professional Development team also will be available for consultations. Register for retreat.

• Research Planning and Goal Setting – 9 a.m.-noon, Sept. 26. Register by Sept. 19. Foundation Funding – 9 a.m.-noon, Oct. 24. Register by Oct. 16.

Early Career Researcher Workshop Series

- <u>Virtual Principal Investigator Leadership Program</u>

Learn best practices and avoid common pitfalls in project management, meeting grant deliverables and team effectiveness at noon-1:30 p.m. Oct. 13, 14, 15 and 16. Register by Oct. 6.
