GET TRAINING, SUPPORT, AND CONSULTATION TO HELP YOU (RE)SUBMIT A COMPETITIVE APPLICATION TO THE NATIONAL SCIENCE FOUNDATION (NSF) CAREER PROGRAM.

**Eligibility**

This opportunity is open to assistant Professors or equivalent who are eligible to submit to the NSF CAREER Program and plan to submit a proposal in July of 2023.

**Application**

Apply online by December 2, 2022. Applicants will submit a CV, short summary of their research and a letter of support from their mentor.

The National Science Foundation Early Career Development (CAREER) Program is a foundation-wide activity that offers the National Science Foundation’s most prestigious awards in support of early-career faculty who have the potential to serve as academic role models in research and education and to lead advances in the mission of their department or organization.

**CAREER CLUB ACTIVITIES**

**Professional learning**
- Unique features of the CAREER program.
- Developing a project summary or quad sheets.
- Crafting your budget.
- Making the most of conversations with your program officer.
- Developing an education plan.
- Submitting your proposal to NSF’s mock panel.

**Consultation**
- One-on-one education plan consultations.
- Proposal feedback from an advisory team.

**Mock panel**
- Participants engage in a mock panel review of previously submitted proposal summaries.
- Participant proposals are welcome but not required.

**Writing retreats**
- One required plus three optional retreats.
- Provides protected time for you to craft your proposal.
- On-site support available.

**APPLY ONLINE**
