

INNOVATORS WHO **DISCLOSED INVENTIONS** IN 2022

University of Missouri researchers who think they have an innovation with commercial potential submit a confidential Invention Disclosure Form to the Office of Technology Advancement team. This information helps the team evaluate inventions for novelty, utility and market potential. Mizzou researchers disclose more than 100 new inventions each year.

A

Ramy Abdelhady, Postdoctoral Fellow, Mechanical and Aerospace Engineering

Hadi Ali-Akbarpour, Assistant Research Professor of Electrical Engineering and Computer Science

Arash Alizadeh, Doctoral Student, Industrial and Systems Engineering

Carla M. Allen, Radiography Program Director; Director of Graduate Studies and Teaching Professor

Mahmoud Almasri, Associate Professor of Electrical Engineering and Computer Science

Hasanain Osamah Al-Sadr, Doctoral Student, Electrical Engineering and Computer Science

Talissa A. Altes, Radiology Chair; Gwilym S. and Maria Antonia Lodwick Distinguished Professor in Radiology

Nathan Andrzejewski, Senior, Journalism

Matthew Ashby, Senior Research Specialist, Plant Science and Technology

B

Agasthya Suresh Babu, Doctoral Student, Biological Engineering

Stephen L. Barnes, Hugh E. Stephenson Chair of Surgery; Professor of Surgery

Gillian Bartlett-Esquillant, Professor and Associate Dean for Graduate Research Education, Family and Community Medicine; Co-Director School of Medicine Umbrella PhD Program

Wesley E. Bonifay, Associate Professor of Educational, School and Counseling Psychology

Donald H. Burke-Agüero, Professor of Molecular Microbiology, Immunology and Biochemistry

Randy Burns, Doctoral Student, Physics

William G. Buttlar, Glen Barton Chair in Flexible Pavement Technology; Professor of Civil and Environmental Engineering

C

Jason Cafer, Assistant Professor of Clinical Psychiatry

Dunpeng Cai, Postdoctoral Fellow, Surgery

Raymond Chastain, Graduate Student, Computer Science

Feng Chen, Research Scientist, Cardiology

Shi-Jie Chen, Curators' Distinguished Professor of Physics and Biochemistry

Shiyu Chen, Division Chief of Surgical Research; W. Alton Jones Distinguished Chair in Surgery; Professor of Surgery

Tilak Chhetri, Doctoral Student, Biological Engineering

Michael Wayne Clubb, Senior Research Specialist, Plant Science and Technology

Mark V. Coggeshall, Adjunct Assistant Professor of Forestry

Rene Cortese, Research Assistant Professor of Child Health, Obstetrics, Gynecology and Women's Health

Damon Coyle, Simulation Innovation Specialist, Shelden Clinical Simulation Center

Melissa Crisel, Senior Research Associate, Plant Science and Technology

Yuqi Cui, Assistant Research Professor of Cardiology

D

Elijah Dahlstrom, Resident Physician, Emergency Medicine

Charlie Dake, Senior, Business

Curt H. Davis, F. Robert and Patricia N. Naka Professor of Electrical Engineering and Computer Science

Ryan DelPercio, Doctoral Student, Plant Science and Technology

Elizabeth De Meyer, Doctoral Student, Plant Science and Technology

Bishnu P. Dhital, Research Specialist, Plant Science and Technology

Dongsheng Duan, Curators' Distinguished Professor of Molecular Microbiology, Immunology and Neurology; Margaret Proctor Mulligan Professor in Medical Research

F

Christopher A. Foote, Assistant Research Professor of Medical Pharmacology and Physiology

G

John Michel Gahl, Professor of Electrical Engineering and Computer Science

Abilash Gangula, Assistant Professor of Radiology

Ke Gao, Doctoral Student, Computer Science

Ryan Gettler, Doctoral Student, Chemical Engineering

David Gozal, Marie M. and Harry L. Smith Endowed Chair of Child Health; Professor of Child Health

Nathan Gregg, Senior, Journalism

Suchismita Guha, Professor of Physics; Director of Graduate Studies

H

Richard D. Hammer, Vice Chair for Clinical Affairs; Professor of Clinical Pathology

Hong Hao, Assistant Research Professor, Medicine

Xiao Heng, Associate Professor of Biochemistry

Zhiqiang Hu, William Andrew Davidson Professor of Civil and Environmental Engineering

Guoliang Huang, Huber and Helen Croft Chair in Mechanical and Aerospace Engineering

J

Rahul Jain, Adjunct Associate Professor of Cardiology

Yuexu Jiang, Postdoctoral Fellow, Computer Science and Bioinformatics

Lei Jin, Postdoctoral Fellow, Physics

Shiying Jin, Associate Research Professor of Obstetrics, Gynecology and Women's Health

Marc Johnson, Professor of Molecular Microbiology and Immunology

K

Sai Giridhar Sarma Kandanur, Postdoctoral Fellow, Radiology

Raghuraman Kannan, Michael J. and Sharon R. Bukstein Chair in Cancer Research; Professor of Radiology and Biological Engineering

Shahabeddin Keshavarz Mohammadian, Postdoctoral Fellow, Mechanical and Aerospace Engineering

Abdelnaby Khalyfa, Research Associate Professor of Child Health

Jeongwoo Kim, Graduate Student, Electrical Engineering

Benjamin Kirby, Resident Physician, Plastic Surgery

Mikhail Kovalenko, Support Systems Admin-Specialist, Pathology and Anatomical Sciences

Maike Krenz, Associate Professor of Medical Pharmacology and Physiology

L

Jaewon Lee, Assistant Research Professor, Mechanical and Aerospace Engineering

Kiho Lee, Associate Professor of Animal Sciences

Margo Leitschuh, Coordinator, Student Health and Well-Being

Helmut Leodarta, Doctoral Student, Civil Engineering

Teresa E. Lever, Associate Professor of Otolaryngology

Guangfu Li, Associate Professor of Molecular Microbiology and Immunology and Surgery; Tom Miltenberger
Professor in Cancer Research

Zhaohui Li, Senior Research Specialist, Radiology

Yun Ling, Doctoral Student, Mechanical and Aerospace Engineering

Xuanyou Liu, Postdoctoral Fellow, Cardiology

Zhenguo Liu, Division Director of Cardiovascular Medicine; Professor of Medicine; Margaret Proctor Mulligan
Professor of Medical Research

Ryan Lock, Extension Specialist, Plant Science and Technology

M

Hongbin (Bill) Ma, Chair of Mechanical and Aerospace Engineering; Curators' Distinguished Professor;
Glen A. Barton Professor

Nathaniel Macatangay, Pharmacy Resident

Camilla Manrique, Thomas W. Burns Distinguished Professor in Diabetes; Associate Professor of Medicine;
Director of Faculty Research

Luis Martinez-Lemus, James O. Davis Distinguished Professor in Cardiovascular Research

Joan Masters, Senior Coordinator, Student Health and Well-Being

Nicholas Meier, Senior Research Specialist, Agroforestry

Clinton Meinhardt, Senior Research Specialist, Plant Science and Technology

Rajiv R. Mohan, Professor of Ophthalmology

Wesley Moore, Senior Research Specialist, Plant Science and Technology

Sura Abd-Alzahra Muhsin, Doctoral Student, Electrical Engineering and Computer Science

N

Kelly A. Nelson, Professor of Plant Science and Technology

Alice Nguyen, Research Specialist, Plant Science and Technology

Henry Thien Nguyen, Professor of Plant Science and Technology

Roberto Nunez, Postdoctoral Fellow, Mechanical and Aerospace Engineering

P

Jaume Padilla, Associate Professor of Nutrition and Exercise Physiology

Kannappan Palaniappan, Curators' Distinguished Professor of Electrical Engineering and Computer Science

Xiufang Pan, Research Scientist, Molecular Microbiology and Immunology

Chanwoo Park, Associate Professor of Mechanical and Aerospace Engineering

Catherine D. Parker, Medical Director of Emergency Medicine Physician Assistant Fellowship; Associate Program Director of Emergency Medicine Residency; Assistant Professor of Clinical Emergency Medicine

Mihail Popescu, Professor of Health Management and Informatics

Randall S. Prather, Curators' Distinguished Professor of Animal Sciences

Elizabeth Prenger, Senior Research Specialist, Agroforestry

Q

Thomas P. Quinn, Professor of Biochemistry; Director, Molecular Interactions Core

R

David Reese, Database Programmer Analyst, Center for Geospatial Intelligence

Ronald Revord, Assistant Research Professor of Agroforestry

S

Hani Salim, Interim Chair; Interim Director of Undergraduate Studies; James C. Dowell Fellow Professor of Civil and Environmental Engineering

Andrew Scaboo, Assistant Professor of Plant Science and Technology

James Grover Shannon, Professor Emeritus of Plant Science and Technology

Haval Shirwan, Professor of Child Health, Molecular Microbiology and Immunology

Joshua Shelton, Graduate Student, Medicine

Gurbir Singh, Assistant Professor of Plant Science and Technology; State Extension Specialist

Kamlendra Singh, Associate Research Professor of Veterinary Pathobiology; Assistant Director, Molecular Interactions Core

Marjorie Skubic, Curators' Distinguished Professor of Electrical Engineering and Computer Science;

Scotty Lee Smothers, Senior Research Associate, Plant Science and Technology

Zhenwei Song, Research Scientist, Biochemistry

Jeremy Spitzenberger, Doctoral Student, Mechanical and Aerospace Engineering

Sharan Srinivas, Assistant Professor of Marketing and Industrial and Manufacturing Systems Engineering

Minviluz G. Stacey, Assistant Research Professor, Plant Science and Technology

Kevin F. Staveley-O'Carroll, Professor of Surgery

Julie A. Stilley, Research Director and Assistant Research Professor, Emergency Medicine

Changyu Sun, Assistant Professor of Biological and Biomedical Engineering

Hongmin Sun, Associate Professor of Cardiovascular Medicine

Dhananjay Suresh, Assistant Research Professor, Radiology

Agasthya Suresh Babu, Doctoral Student, Biological Engineering

T

Marissa Triller, Senior Research Specialist, Plant Science and Technology

Ali Turan, Doctoral Student, Microbiology

U

Bret Ulery, Associate Professor of Chemical Engineering

Anandhi Upendran, Director of Biomedical Innovation

Mariola Usovsky, Senior Research Associate, Plant Science and Technology

V

Bongkosh Vardhanabhuti, Associate Professor of Food Science

W

Meifang Wang, Director of Lab Operations, NextGen Precision Health

Yun Wang, Doctoral Student, Food and Hospitality Systems

Kevin D. Wells, Associate Professor of Animal Sciences

Gage West, Medical Research Office

Gian Wu, Postdoctoral Fellow, Mechanical and Aerospace Engineering

X

Dong Xu, Curators' Distinguished Professor of Electrical Engineering and Computer Sciences; Paul K. and Dianne Shumaker Professor

Xianchen Xu, Research Scientist, Mechanical and Aerospace Engineering

Xianjin Xu, Research Scientist, Physics and Biochemistry

Yadong Xu, Lab Assistant, Chemical and Biomedical Engineering

Ziteng Xu, Doctoral Student, Biological Engineering

Y

Zheng Yan, Assistant Professor of Chemical, Biomedical, Mechanical and Aerospace Engineering

Ming Yang, Postdoctoral Fellow, Surgery

Esma S. Yolcu, Professor of Child Health, Molecular Microbiology and Immunology

Abigail York, Resident Physician, Surgery

Matthias J. Young, Assistant Professor of Chemical and Biomedical Engineering

Yukai Yu, Doctoral Student, Mechanical and Aerospace Engineering

Yongping Yue, Research Specialist Lead, Molecular Microbiology and Immunology

Z

Chunye Zhang, Postdoctoral Fellow, Animal Sciences

Ganggang Zhao, Doctoral Student, Mechanical and Aerospace Engineering

Jianfeng Zhou, Assistant Professor of Plant Science and Technology

Xiaoqin Zou Professor of Physics and Biochemistry
